Introduction

Soulric, the poetry club of St. Thomas College of Arts and Science, was launched in the academic year 2019 - 2020 by the department of English.

Objective of the Club

To provide a space for the promising poets and all the ardent lovers of poetry to gather, explore, express, share, and spread their love for poetry.

Soulric's Origin

The club came into existence when a group of like-minded faculty from the department decided to create a space beyond the academics for the student fraternity. As a result three clubs came into existence: poetry club, book club, and a theatre club with Mrs. Sreeshma becoming the Founder and the organizer of the poetry club.

In the month of September, a circular informing the launch of the clubs were sent across the college. Invitations were sent out to the passionate and interested students to join the venture. The dusk of September brought with it the dawn of the poetry club.

With the growing presence of highly passionate and equally motivated budding poets of the college, the club had finally come into being.

The Captains of the Club

The club initially started functioning through the maneuvering of the Founder and the Coordinator of Soulric, Mrs. E. G. Sreeshma, Assistant Professor in English. Few meetings with the club members (students) were held in her presence. In order to keep up with the development of the age and also to make the most of the technology, a whatsapp group named "The Bards" was created. "The Bards" proved highly functional where passing of information was concerned.

In time, the club welcomed two new faculty Associates to the team: Ms. Ramya and Mr. Premnath. It must be said that the presence of the professors had indeed added vigour to the club. The club is currently held together by these three quintessential faculties of the department.

The Story Behind the Name "Soulric"

Initially, the club was simply known as the poetry club. Meanwhile, the Captains had pondered their head over the right name to baptize their club. In the end, around the first week of February, through the marvelous suggestion of Ms. Ramya, we arrived at the name Soulric, as in Soul + lyric. Since then, the club was started to be known as "Soulric".

Student Members

The club contains students from the various departments of the college. As expected, only the students who write in English or are interested in English poetry have been admitted.

Meetings

Club gatherings and meetings are conducted on a regular basis at the college premises after 1.10 pm. The meetings proved to be productive as it helped in bringing out the hidden writers in students. And some of such gatherings turned out to be extremely satisfying and inspiring. During one such meeting held at F. 01, the student members were given a task; they were asked to write a poem on the spot based on a given theme. The theme given by the coordinator was "Water". To the astonishment of the coordinator and the associates, the students came out with brilliant poems, that too, at such a short notice. Some of the poems are as follows:

Ocean's deep

By R Sherine (III Bsc Psychology)

Under the oceans

Where belongs my dreams wandering like stars as fishes
Where my soul is confined within a shell as pearl

Deep down the waters
With a mysterious silence.

Ocean

By Bhuvaneshwari (III BSc Psychology)

One day, I wanna be there
In the middle of you
And I'll be well aware
The vividity of blue.

I know when I'm there
There is nowhere to hide
Breathe, No,
Drowning is all about.

Soulric Carousel 2020

Soulric Carousel was an inter-departmental poetry fest organized by Soulric on 27th and 28th of February 2020.

Soulric Carousel, a name suggested by the Coordinator Mrs. Sreeshma, contains the true spirit of the Fest. The word Carousel has got several connotations. Two of the meanings are merry-go-round ride and tournament. When you are on such a merry-go-round ride, you tend to experience a variety of

perspectives. And interestingly, the perspectives change according to the people taking the ride. Similarly, Soulric Carousel intends to be a fun filled poetry tournament and an experience rich ride for the students.

We had a goal of carrying the art of poetry and spreading its love through all the nooks and corners. Our competitions and the outpouring response we had from the students, stand testimony to our goal.

Around 15 competitions were conducted for the students across the departments, for both Shift 1 and Shift 2 at the rooms G. 21 and G. 22. The competitions were as follows: Think Within the Box, Couplet Collage, Poetry Interpretation, Recite the Picture, Rhyme a Rhyme, Cook a Tale, Poetryzap, Pen a Theme, Picture the Rhyme, Perform Your Poem, Haiku Jam, Pick a Title, Translate the Tamil Song, Poetry Quiz, and Finish the Unfinished. The teaching faculty of the English Department, both from Shift 1 and Shift 2, graced the occasion by being the judges of the events.

The formal ceremony of the Soulric Carousel was held in the morning of 28th February at AV ROOM in the presence of our Principal, staff and students of the Department of English, and the club members. On the other hand, Mr. Chakkaravarthy Gurusami, our Chief Guest, an ad film-maker by profession and a poet through his passion, illuminated the occasion by his witty observations and inspiring talk.

Considering it as our maiden attempt, by having planned and conducted it only in a matter of 2 weeks, and moreover, with almost over 300 to 400 students actively taken part in our two day fest, the Soulric Carousel proved to be a great success.

The Future of Soulric Carousel

We have it in our interests to make it a yearly fest, and also possibly make it an intercollegiate event in the upcoming year. In order to incorporate the interests of our own students, one day could be made into an inter-departmental event while the other could become an intercollegiate fest.

Conclusion

The Soulric Poetry Club had a gradual yet a steady start. Since its inception, the club has been growing both in number and recognition. As Emily Dickenson had said, “one step at a time is all it takes to get you there”. A destination would require a journey, and we are on it. With a step at a time.

TIME TO FIRE

Keep looking up
Once you choose hope
Donot let yesterday
To take too much of today
Hand can seize today
Your hope guide a way
They may write your lines
With their twisted lies
Success seems to be very slow
You may perish with better blow
As everyone of us must learn
Yup, It's your time to burn
Focus on youe long term goal
Then start fire in your soul.

Soulric Carousel 2020 -A Report

Introduction

Soulric Carousel 2020 was an inter-departmental poetry fest organized by the Soulric Poetry club. It took place on 27th and 28th of February 2020 at the college premises. About 15 events and competitions related to poetry were conducted for students across the college, for both Shift 1 and Shift 2. A formal ceremony, on the other hand, was conducted at the Audio Visual Room on 28.02.2020. As the club was started only in the middle of this academic year, it could be said that it was the club's maiden attempt at conducting an event of any magnitude.

About the Competitions

The competitions, judged by the teaching faculty of the Department of English (Shift I and Shift II), **took place on 27.02.2020 and 28.02.2020** at G.21 and G.22 between 9.00 am and 2.00 pm. These competitions not only provided an opportunity for the students to realize their talents in writing, but had also brought them closer to the field of poetry. **The motto of the event was to bring poetry to all.** There is this invisible wall that exists between poetry and the common folk. What the club merely did was to create competitions that could embrace the interests of all kinds of students. And, hence, break that invisible wall. **Our list of competitions and the response we received from the student fraternity stand testimony to our motto.**

All though there had been a space and a time constraint, the feedback given by the students prove that the event was first of the kind to have happened in the college and that they are eagerly looking forward to similar ones in the future. This victory was possible only through the effort put by the club coordinator, the staff associates, and the student members.
